

Dear Parents:

September 3, 2008

Welcome back for another exciting school year!

We will again be utilizing the brown envelope to transport information to you on a regular basis. We have found this system does a better job in insuring the delivery of the documents to your home. Please visit the school web site at [www.sanduskycentralcatholicschool.org](http://www.sanduskycentralcatholicschool.org) to find copies of the enclosed information along with many other school/community related pieces of information.

One of the key components of a successful school is the communication network that is established. You will find that we will use several vehicles to keep you informed. These include the church papers, the Sandusky Register, our website, the brown envelopes, ProgressBook, and the US Postal Service as necessary. Our staff will continue to update the Sandusky Central Catholic Schools website.

Please complete/return the various forms which are coming home. (Emergency Medical Form on each child at school, Free/Reduced Lunch Application, and the Family Handbook form.)

We welcome our new members to the staff of Grades 7 -12. They include Fr. Nuss(Theology), Mrs. Oeder(Math and Science), Mrs. Osborne(Theology), Ms. Palmer(English) and Mr. Smith (Physical Education).

Fr. Nuss is leading Adoration in the newly remodeled All Saints Chapel from 7:00 a.m. through 7:30 a.m., every school day throughout the school year. Please join in for a portion of your morning. If you can stop in the chapel for even a few minutes to pray, your day will be so blessed.

Sandusky Central Catholic School has scheduled Dr. Ray Guarendi for a talk on September 24, 2008 at 6:30 p.m. His talk is entitled, ***Being Strong as a Parent***. Please join us at SMCC for this presentation. Dr. Guarendi, a father of 10, is a popular speaker as he blends his personal experience and humor into his message. He is a host of radio shows on Ave Maria Radio, EWTN Radio & Relevant Radio.com. You may have also seen Dr. Ray on Oprah, 700 Club, or CBS This Morning, etc.

Let's Have a Great School Year!  
Kenneth J. Schmiesing, Ed.D.
