Dear Parents:

As we end another busy month we would like to take time to thank our many wonderful parents. The Halloween parties were a huge success and a good time was had by all. Everyone was so excited when the Sandusky Firefighters visited. They made a point of letting us know what smart well behaved children we have. We were very proud of them. The children also did a super job during the fire drill.

We value your suggestions and input to continue improving our center. Just a reminder, we have a suggestion box on the table by the front door. Please let us know how we are doing and what we can change or add to continue to provide quality education and care for our children.

Our picture retakes are scheduled for Tuesday November 25th. Please return your photo package that day. If your child was absent on picture day please stop by the office for an envelope. Retakes are just that one day.

Every year we ask the children at our Center to bring in canned goods and non-perishable items. The food will be distributed at the Holy Angels Thanksgiving supper sponsored by the area churches. We feel this is a wonderful learning experience to promote sharing and community. We thank you in advance for your generosity.

And finally, we will share a Thanksgiving "feast" as Pilgrims

and Indians on Nov.24th and 25th. Please note that Thanksgiving vacation begins on Wednesday Nov. 26th for Pre-School. We will not have school on Wednesday, Thursday, and Friday. Due to low enrollment in Day Care on Wednesday, the center will be closed that day along with Thursday and Friday.

We will have our state inspection on Thursday Nov. 13th. We must have all medical forms on file by Tuesday Nov. 4, 2008. Children will not be able to attend after that date if we do not have a medical form on file.

Have a warm and blessed Thanksgiving. May we all be reminded of the wonderful blessings that come our way each and every day. The greatest blessing of all is our children. May we delight in them and remember the joy of childhood!!

Sincerely,

Mrs. Dwight

when we stop, look and listen to children, when we walk
along the trail with them -
experiencing the everyday, ordinary,
extraordinary life of the child."*
